VERACITY

"What's in a name?"

Veracity Defined

Merriam Webster defines Veracity as, "1: devotion to the truth, TRUTHFULNESS; 2: power of conveying or perceiving truth; 3: conformity with truth or fact."

We characterize it as the kind of service you deserve.

Veracity's owner has a degree in Finance, as well as the designations of Certified Manager of Community Associations (CMCA), Association Management Specialist (AMS) and Professional Community Association Manager (PCAM). A PCAM is a professional who has earned the highest level of recognition for managers awarded by Community Associations Institute (CAI). He is also a former HOA President and Treasurer who brings a Board member's experience and point of view to the management side. Veracity also has a "Certified Master Gardener" that can provide advice on landscaping.
